The most explicit among them undoubtedly is the wide wall that characterizes the main dining room, entirely covered by a large cladding featuring a pattern inspired by the works of the visionary artist Maurits Escher.

Other important features of the main dining room – apart from the tables ("Dizzie", by the Italian Arper) and the chairs ("Lagò", by Ph.Starck for Driade) – are the upholstered white seat, entirely suspended on stainless steel brackets, on the side of which nine large holes hold a stock of cutlery, while a pendant ("Talo", by Artemide) supplies the light needed by its working top.

Besides the bar area is the opening of the staircase leading to the kitchen, located in the basement. In some alcoves next to it have been located some cabinets containing whatever waiters might need for their service.

In the small dining room at the rear (flooded by natural daylight copiously dropping down through a wide skylight expressly open in its roof), the cladding of its only continuous wall – which also includes a

在这个项目中，最引人注目的是围绕着主餐厅的那面宽阔的墙，上面覆盖着叠层状装饰，这是视觉艺术家Maurits Escher的作品。

主餐厅中的另外一个重要装饰元素，除了意大利设计师Arper设计的“Dizzie”系列桌椅，Ph.Starck设计的“Lagò”椅子，还有包着软席的白色座椅，由不锈钢支架托起。在它的另一侧是打着九个孔洞的餐具架。一些下垂的装饰来提供餐厅照明。

吧台旁是通往厨房的楼梯口，厨房在地下室。它旁边的壁橱里有许多抽屉，其中摆放着服务生所需的各种物品。

在小饭厅后方(阳光从屋顶的天窗上倾泻下来，异常明亮)，是唯一一面连续的墙体，装饰着层层叠叠的大波浪，让人不禁想起被风吹得连绵起伏的沙滩。设计师用特殊的涂料完成了这面墙，看起来有“桃皮”般的效果。同时还在天花板四周嵌入了线形光柱，更增强了墙体的雕塑感。

设计师使用了白色的海洋来把这些元素连接在一起，白色氛围得到了增强。从墙到天花板，从树脂地板到吧台，白色的海洋几乎覆盖了所有元素，成为整个项目的背景色，蓝色或其他颜色都被有意地掩盖起来。

large curve – is characterized by a wavy relief meant to evoke the sandy surface of the beach when moulded by the wind. This surface has been finished with a special paint performing a "peach skin" effect (paint "Velvet", by GA.NI.Color, Italy). In order to emphasize the sculptural quality of such mouldings, a continuous linear light has been recessed into a perimetrical gap of the ceiling.

A sea of white colour has been used to enhance and link all these elements together, flooding all surrounding parts, from walls to ceiling, from the resin floor to the Corian made bar counter; a white sea working in this environment as an undifferentiated neutral background that intentionally disappoints any predictable expectation for blue colour.
